REGISTER YOUR INTEREST at bit.ly/JSA2023July.

Rural and Regional Scholarships: Are you travelling from rural or regional Australia? Ask us about our scholarship program that provides support with accommodation and travel costs. Email the team at juniorscience@mq.edu.au

WHY JOIN IN?

- Children are introduced to science concepts and skills in a safe and supportive environment.
- Courses teach the concepts through experiments, physical activity, craft and other hands-on activities.
- Children meet others with similar life experiences to them and enjoy making new social connections.
- Auslan interpreters and Deaf mentors present. Roger assistive listening device available.

Visit the JSA website for more information, including class descriptions.
